WORK EXPERIENCE

- May 2019 - Dec 2019** **Teacher Assistant**
Maximum Language Academy, Bukhara, Uzbekistan
Successfully instructed and guided over 100 students in English language proficiency, focusing on preparation for IELTS and TOEFL examinations. Tailored curriculum, conducted assessments, and implemented personalized learning pathways for students' academic success.
- Feb 2020 - Sep 2020** **Math Tutor**
Bilol Education Study Center, Bukhara Uzbekistan
As a dedicated Math Tutor, I specialize in preparing school pupils for the SAT Math exam and nurturing their mathematical abilities for School Olympiads. I employ interactive online teaching methods, tailored curriculum development, and personalized guidance to foster academic excellence and promote a deeper understanding of mathematical concepts among my students.
- Oct 2021 - Jan 2022** **Java Developer Intern**
Onoi Soft, Bishkek, Kyrgyzstan
During my internship, I collaborated with senior-level programmers on Android application development. Primarily focused on testing and debugging, I gained valuable experience in teamwork, testing methodologies, and utilizing online resources effectively.
- May 2023 - Sep 2023** **Customer Service Agent**
Mt.Olympus Resorts, Wisconsin, U.S.A
Worked in a call center and I was responsible for checking, modifying, and creating hotel reservations, as well as providing guests with responsive and informative assistance. I learned how to be a part of big company, communication and management skills.
- Oct 2023 - Dec 2023** **Python/Django Developer Intern**
GeeksPro.kg, Bishkek, Kyrgyzstan
I specialized in coding and debugging web applications, and problem-solving to support the team in delivering high-quality software using Python and Django frameworks. I gained a experience in working with big databases in details and time management skills.

EDUCATION AND QUALIFICATIONS

- Sep 2010 - Jun 2021** **Higher Education**
Public School of 39, Bukhara, Uzbekistan
- Aug 2021 - Present** **Bachelor's of Computer Science**
American University of Central Asia, Bishkek, Kyrgyzstan
I study with fully founded scholarship of U.S.-Central Asian Education (U.S.-CAEF) Enterprise Fellowship.
- Jan 2024 - Jun 2024** **Study Abroad Program**
Southern Denmark University, Odense, Denmark

Study abroad program Faculty of Engineering, provided by my home university for talented students. I study Algorithm and Data Structures, Artificial Intelligence. In addition, I learn the Numerical Methods using C++ programming language from professional professors.
